Contents

CHAPTER 1 Introduction 1

Introduction 1

Theory 1
Precision and Clarity 1
Comprehensiveness 2
Testability 2
Usefulness 2

Psychotherapy and Counseling 3

Theories of Psychotherapy and Counseling 4
Psychoanalysis 5
Jungian Analysis and Therapy 5
Adlerian Therapy 6
Existential Therapy 6
Person-Centered Therapy 6
Gestalt Therapy 6
Behavior Therapy 6
Rational Emotive Behavior Therapy 7
Cognitive Therapy 7
Reality Therapy 7
Constructivist Therapy 7
Feminist Therapy 7
Family Therapy 8
Other Psychotherapies 8
Integrative Therapy 8

Organization of the Chapters 9
History or Background 9
Personality Theories 10
Theories of Psychotherapy 10
Psychological Disorders 10
Brief Psychotherapy 15
Current Trends 15
Using a Theory with Other Theories 18
Research 19
Gender Issues 20
Multicultural Issues 20
Group Therapy 21

Ethics 21

My Theory of Psychotherapy and Counseling 22
CHAPTER 2

Psychoanalysis 25

History of Psychoanalysis 25

Freud's Drive Theory 29
  Drive and Instincts 29
  Levels of Consciousness 29
  Structure of Personality 30
  Defense Mechanisms 31
  Psychosexual Stages of Development 33

Ego Psychology 35
  Anna Freud 35
  Erik Erikson 35

Object Relations Psychology 37
  Donald Winnicott 38
  Otto Kernberg 39

Kohut's Self Psychology 39

Relational Psychoanalysis 41

Psychoanalytical Approaches to Treatment 43
  Therapeutic Goals 43
  Assessment 44
  Psychoanalysis, Psychotherapy, and Psychoanalytic Counseling 44
  Free Association 45
  Neutrality and Empathy 45
  Resistance 46
  Interpretation 46
  Interpretation of Dreams 47
  Interpretation and Analysis of Transference 48
  Countertransference 49
  Relational Responses 49

Psychological Disorders 50
  Treatment of Hysteria 51
  Childhood Anxiety 52
  Borderline Disorders 53
  Narcissistic Disorders 55
  Depression 56

Brief Psychoanalytic Therapy 57

Current Trends 60

Using Psychoanalysis With Other Theories 61

Research 62

Gender Issues 65

Multicultural Issues 66
CHAPTER 3

Jungian Analysis and Therapy 75

History of Jungian Analysis and Therapy 75

Theory of Personality 79
  Levels of Consciousness 79
  Archetypes 81
  Personality Attitudes and Functions 83
  Personality Development 86

Jungian Analysis and Therapy 88
  Therapeutic Goals 88
  Analysis, Therapy, and Counseling 88
  Assessment 89
  The Therapeutic Relationship 90
  Stages of Therapy 91
  Dreams and Analysis 91
  Active Imagination 95
  Other Techniques 96
  Transference and Countertransference 96

Psychological Disorders 98
  Anxiety Neurosis 98
  Depression 99
  Borderline Disorders 100
  Psychotic Disorders 100

Brief Therapy 101

Current Trends 101

Using Jungian Concepts with Other Theories 102

Research 103

Gender Issues 104

Multicultural Issues 105

Group Therapy 107

Summary 107

Suggested Readings 108

References 108

CHAPTER 4

Adlerian Therapy 112

History of Adlerian Theory 112
  Influences on Adlerian Psychology and Therapy 114

Adler's Theory of Personality 115
  Style of Life 115
  Social Interest 116
  Inferiority and Superiority 117
  Birth Order 118
Adlerian Theory of Therapy and Counseling 119
  Goals of Therapy and Counseling 119
  The Therapeutic Relationship 119
  Assessment and Analysis 121
  Insight and Interpretation 125
  Reorientation 126

Psychological Disorders 130
  Depression 130
  Generalized Anxiety 133
  Eating Disorders 134
  Borderline Disorders 134

Brief Therapy 136

Current Trends 137

Using Adlerian Therapy with Other Theories 138

Research 138

Gender Issues 140

Multicultural Issues 141

Group Counseling and Therapy 141

Summary 142

Suggested Readings 143

References 143

CHAPTER 5 Existential Therapy 146

History of Existential Thought 146
  Existential Philosophers 147
  Originators of Existential Psychotherapy 149
  Recent Contributors to Existential Psychotherapy 150

Existential Personality Theory 151
  Being-in-the-World 152
  Four Ways of Being 152
  Time and Being 153
  Anxiety 154
  Living and Dying 155
  Freedom, Responsibility, and Choice 156
  Isolation and Loving 157
  Meaning and Meaninglessness 157
  Self-Transcendence 158
  Striving for Authenticity 159

Existential Psychotherapy 160
  Goals of Existential Psychotherapy 160
  Existential Psychotherapy and Counseling 161
  Assessment 161
  The Therapeutic Relationship 163
  Living and Dying 165
  Freedom, Responsibility, and Choice 166
  Isolation and Loving 169
  Meaning and Meaninglessness 169
CHAPTER 8

Behavior Therapy 256

History of Behavior Therapy 256
  Classical Conditioning 256
  Operant Conditioning 257
  Social Cognitive Theory 258
  Current Status of Behavior Therapy 259

Behavior Theory of Personality 260
  Positive Reinforcement 260
  Extinction 261
  Generalization 261
  Discrimination 261
  Shaping 262
  Observational Learning 262

Theories of Behavior Therapy 264
  Goals of Behavior Therapy 264
  Behavioral Assessment 265
  General Treatment Approach 266
  Systematic Desensitization 266
  Imaginal Flooding Therapies 269
  In Vivo Therapies 270
  Virtual Reality Therapy 271
  Modeling Techniques 272
  Self-Instructional Training: A Cognitive-Behavioral Approach 274
  Stress Inoculation: A Cognitive-Behavioral Approach 274

Psychological Disorders 276
  Depression 276
  Obsessive-Compulsive Disorder 277
  Generalized Anxiety Disorder 279
  Phobic Disorder 283

Brief Therapy 284

Current Trends 284
  Eye-Movement Desensitization and Reprocessing 285
  Acceptance and Commitment Therapy 286
  Ethical Issues 287

Using Behavior Therapy with Other Theories 288

Research 288
  Review of the Evidence 288
  Obsessive-Compulsive Disorder 289
  Generalized Anxiety Disorder 290
  Phobias 290

Gender Issues 291

Multicultural Issues 292

Group Therapy 293
  Social-Skills Training 293
  Assertiveness Training 294

Summary 294

Suggested Readings 295

References 295
CHAPTER 11 Reality Therapy 374

History of Reality Therapy 374
Personality Theory: Choice Theory 376
  Pictures of Reality 376
  Needs 377
  Choice 377
  Behavior 378
  Choosing Behavior 379

Theory of Reality Therapy 379
  Goals of Reality Therapy 380
  Assessment 380
  The Process of Reality Therapy 381
  Therapist Attitudes 386
  Reality Therapy Strategies 387

Psychological Disorders 391
  Eating Disorders: Choosing to Starve and Purge 391
  The Choice to Abuse Drugs 395
  The Choice to Depress 396
  The Choice to Anxietize 398

Current Trends 399
Using Reality Therapy with Other Theories 399
Research 400
Gender Issues 401
Multicultural Issues 402
Group Counseling 403
CHAPTER 12

Constructivist Approaches 408

History of Constructivist Approaches 408
  Early Influences 409
  George Kelly 409
  Milton Erickson 409
  Early Family Therapy Approaches 410
  Recent Constructivist Approaches 411

Solution-Focused Therapy 412
  Views About Therapeutic Change 412
  Assessment 412
  Goals 413
  Techniques 413

Narrative Therapy 420
  Epston and White’s Narrative Therapy 422
  Assessment 422
  Goals 423
  Techniques of Narrative Therapy 424
  An Example of Narrative Therapy 426

Current Trends 427

Using Constructivist Theories with Other Theories 428

Research 428
  Narrative Therapy with Hispanic Adolescents and Children EBT (in process) 429

Gender Issues 430

Multicultural Issues 430

Group Therapy 431

Summary 431

Suggested Readings 432

CHAPTER 13

Feminist Therapy: A Multicultural Approach 435

Gender as a Multicultural Issue 435

History of Feminist Therapy 436

Feminist Theories of Personality 439
  Gender Differences and Similarities Across the Life Span 439
  Schema Theory 442
  Gilligan’s Ethic of Care 443
  The Relational Cultural Model 444
Contents

Theories of Feminist Therapy 446
  Goals of Feminist Therapy 446
  Assessment Issues in Feminist Therapy 448
  Techniques of Feminist Therapy 448

Using Feminist Therapy with Other Theories 455
  Feminist Psychoanalytic Theory 456
  Feminist Behavioral and Cognitive Therapy 456
  Feminist Gestalt Therapy 457
  Feminist Narrative Therapy 457
  Feminist Therapy and Counseling 458
  Brief Therapy 458

Psychological Disorders 459
  Depression 459
  Borderline Personality Disorder 460
  Posttraumatic Stress Disorder 461
  Eating Disorders 463

Current Trends and Issues 464

Research 466

Gender Issues 467
  Feminist Therapy with Men 467
  Feminist Therapy with Gay and Lesbian Clients 468

Multicultural Issues 470

Group Counseling 471

Summary 472

Suggested Readings 473

References 473

Chapter 14  Family Therapy 478

Historical Background 478
  Early Approaches to Family Counseling 479
  Psychoanalytic and Related Influences on Family Therapy 479
  The Study of Communication Patterns in Families with Members Having Symptoms of Schizophrenia 480
  General Systems Theory 481

Bowen’s Intergenerational Approach 483
  Theory of Family Systems 484
  Therapy Goals 486
  Techniques of Bowen’s Family Therapy 486
  An Example of Intergenerational Family Systems Therapy 488

Structural Family Therapy 490
  Concepts of Structural Family Therapy 490
  Goals of Structural Family Therapy 491
  Techniques of Structural Family Therapy 492
  Example of Structural Family Therapy 494

Strategic Therapy 495
  Concepts of Strategic Therapy 495
  Goals 495
